

That's The Kind Of Sugar Papa Likes

Peter Criss

I didn't want you, did not need you
Sure wouldn't mean to kick you down
You know I love you, I really love you
Sure do wish you'd come around

But you're the kind of sugar papa likes
And when you do it, it drives me crazy (drives me crazy)
And I don't know if I'm up or down
Lost or found with you

You shoulda told me, I'm not the only
Man to love you twice
But since I know now, I think I'll go now
And find someone who'll love me right

But you're the kind of sugar papa likes
And when we do it, it drives me crazy (drives me crazy)
And I don't know if I'm up or down
Lost or found with you

But you're the kind of sugar papa likes
And when you do it, it drives me crazy (drives me crazy)
Well, I don't know if I'm up or down
Lost or found with you

But you're the kind of sugar papa likes
And when you do it, it drives me crazy (drives me crazy)
Well, I don't know if I'm up or down
Lost or found with you

You're the kind of sugar papa likes, with you
You're the kind of sugar papa likes
You're the kind of sugar papa likes, it drives me crazy
You're the kind of sugar papa likes, drives me crazy
You're the kind of sugar papa likes, yes you, baby
You're the kind of sugar papa likes, drives me crazy
You're the kind of sugar papa likes, and you're pretty, baby
You're the kind of sugar papa likes, drives me crazy
You're the kind of sugar papa likes, drives me crazy
You're the kind of sugar papa likes, drives me crazy
You're the kind of sugar papa likes, drives me crazy
You're the kind of sugar papa likes, drives me crazy
You're the kind of sugar papa likes, drives me crazy
You're the kind of sugar papa likes, drives me crazy
