

# We Want You

Peter Criss

Let me break it down  
I've got something to say  
Don't turn your back or we'll make you pay  
You know it's true

You gotta take a stand  
You've gotta be heard  
Baby, don't hold back  
We're gonna take the world  
You know it's true  
Time has come to stand as one

We want you, you know we do  
I know you know we want you

Together we stand, divided we fall  
You gotta push to see it all  
And break it through  
Every chance you take to help us out a little  
Is gonna bring you to the center of the circle  
In the middle God knows it's true  
Time has come to stand as one

We want you, you know it's true  
All in all things are gettin' better  
Are you ever gonna realize we're all in this together?  
It's me and you  
Time has come to stand as one

We want you
