

Words

Peter Criss

You see it your way
And I see it my way
But in the end
We don't know
Who to blame

And you have your friends
And I have my friends
Still we know
Friends play games

But in the end
Yes in the end
Ooo in the end
They're only words

I say I love you
And you say you love me
And I've been hurt
And you've been hurt
And still we know
What love means

And I've lived a hard life
Harder than most lives
Ain't it about time
It's the right time
Love understands

Honey, just trust in
"I love you"
Tell me our love's
More than words

You see it your way
And I see it my way
But in the end
We don't know
Who to blame

And in the end
Yeah, in the end
Ooo in the end
They're only words
