80's Music

Peter Frampton

I'll give candy, give you diamonds, give you pills
I'll give you anything you want hundred dollar bills....
I'll even let you watch the shows you wanna see,
Just say you'll marry me, marry me, marry me!
I'm so sick of you tonight you never stay awake when i get home
Is something wrong with me is something wrong with you?
I really wish i knew I wish i knew

I got wasted she got mad
Called me names and she called her dad
She got crazy and i did too
I'll give you anything anything anything
