

# Don't Have To Worry

Peter Frampton

It's been awhile  
Though I think I made you smile  
I've been singing my song  
Thinking I was wrong  
But now I know  
You know it takes so long  
Though you're feeling strong  
Then you gave me a sign  
Made me feel like going on

I-I-I-I-I I don't have to worry  
You don't have to care  
I don't have to worry  
Cause you'll always be there (yeah yeah)

The years when by  
As I played for you  
Nobody cheered  
As I walked from the stage  
With my dream  
Thank you girl  
Taking away all of my fears  
And all of the years that it takes

I-I-I I know you don't have to worry  
And I don't have to care  
So you don't have to worry  
You know I will always be there  
Yeahah oow

I-I-I-I-I I don't have to worry  
You don't have to care  
And I don't have to worry  
You'll always be there  
You don't have to worry  
And I don't have to care  
Cause you don't have to worry  
We will always be there  
I don't have to worry  
You don't, you don't have to care  
I don't have to worry  
You will always be there  
Aahh oooh  
Feeling good like I should
