Doobie Wah

Peter Frampton

Whoo! Do what everybody says is wrong You can't believe nobody takes too long Changing your mind, ooh, let me up I can't believe that kind would drink my cup Yeah, yeah Take away what you can make today Look, turn around Put your hand in the lottery Hey, what you found? Take the place, you got another taste Make it through Carry on, won't do you wrong It's something new Icicles of blue serene Inside your eyes I came in the same way too, ooh, with you Head in the sky Let me breath Don't want to make you cry But I gotta leave Take all you can, don't let it show Walk away, you gotta pay For all you know Hang on to me Put your hand in the lottery You don't really need to be Anything you don't want to be Setting suns and thinking aloud Speaking of you I came in the same way too Head in the sky Let me breath Don't want to make you cry But I gotta leave Take all you can I understand Don't let it show Walk away but you gotta pay For all you know Yeah, yeah Do what everybody says it wrong

I don't believe anybody takes too long Changing your mind, let me up I^{ištěno z}www.two.cz-šetříme na pojištění!
