

# I Believe (When I Fall In Love With You It Will Be Forever)

Peter Frampton

Shattered dreams, worthless years,  
Here am I encased inside a hollow shell,  
Life began, then was done,  
Now I stare into a cold and empty well

Many sounds that meet our ears  
The sights our eyes behold,  
Open up our merging hearts,  
And feed our empty souls

I believe when I fall in love with you it will be forever,  
I believe when I fall in love this time it will be forever

Without despair we will share,  
And the joys of caring will not be replaced,  
What has been must never end  
And with the strength we have won't be erased  
The truths of love are planted firm,  
They won't be hard to find,  
And the words of love I speak to you  
Will echo in your mind

I believe when I fall in love with you it will be forever,  
I believe when I fall in love this time it will be forever

I believe when I fall in love with you it will be forever,  
I believe when I fall in love with you it will be forever

I believe when I fall in love with you it will be forever ...
