

## Oh For Another Day

Peter Frampton

Peacefull, quiet as a mouse  
Fireside, night at our house  
Oh, all is well I say  
Oh for another day  
Oh for another day

Sleep, sleep, lady Elaine  
See your, manger please stay  
Oh silent world, so loud  
Oh another field is plowed  
Oh by your face in the crowd  
Oh for another day  
Oh for another day
