

Digging In The Dirt

Peter Gabriel

1. Something in me, dark and sticky
All the time it's getting strong
No way of dealing with this feeling
Can't go on like this too long

*: This time you've gone too far
This time you've gone too far
This time you've gone too far,
I told you, I told you, I told you, I told you

X: Don't talk back, just drive the car
Shut your mouth, I know what you are
Don't say nothing, keep your hands on the wheel
Don't turn around, this is for real

R: Digging in the dirt
Stay with me I need support
I'm digging in the dirt
Find the places I got hurt
Open up the places I got hurt

2. The more I look, the more I find
As I close on in, I get so blind
I feel it in my head, I feel it in my toes
I feel it in my sex, that's the place it goes

*: This time you've...

R: Digging in the dirt... (2x)

Digging in the dirt, to find the places we got hurt...
