

# Digging In The Dirt

Peter Gabriel

1. Something in me, dark and sticky  
All the time it's getting strong  
No way of dealing with this feeling  
Can't go on like this too long

\*: This time you've gone too far  
This time you've gone too far  
This time you've gone too far,  
I told you, I told you, I told you, I told you

X: Don't talk back, just drive the car  
Shut your mouth, I know what you are  
Don't say nothing, keep your hands on the wheel  
Don't turn around, this is for real

R: Digging in the dirt  
Stay with me I need support  
I'm digging in the dirt  
Find the places I got hurt  
Open up the places I got hurt

2. The more I look, the more I find  
As I close on in, I get so blind  
I feel it in my head, I feel it in my toes  
I feel it in my sex, that's the place it goes

\*: This time you've...

R: Digging in the dirt... (2x)

Digging in the dirt, to find the places we got hurt...
