Down to Earth

Peter Gabriel

Did you think that your feet had been bound By what gravity brings to the ground? Did you feel you were tricked By the future you picked? Well, come on down

All these rules don't apply When you're high in the sky So come on down Come on down

We're coming down to the ground There's no better place to go We've got snow up on the mountains We've got rivers down below

We're coming down to the ground To hear the birds sing in the trees And the land will be looked after We send the seeds out in the breeze

Did you think you'd escaped from routine By changing the script and the scene? Despite all you made of it You're always afraid of the change

You've got a lot on your chest Well, you can come as my guest So come on down Come on down

We're coming down to the ground There's no better place to go We've got snow up on the mountains We've got rivers down below

We're coming down to the ground We'll hear the birds sing in the trees And the land will be looked after We send the seeds out in the breeze

Like the fish in the ocean
We felt at home in the sea
We learned to live off the good land
We learned to climb up a tree

Then we got up on two legs
But we wanted to fly
Oh, when we messed up our homeland
And set sail for the sky

We're coming down to the ground There's no better place to go We've got snow upon the mountains We got rivers down below

We're coming down to the ground

We'll hear the birds sing in the trees And the land will be looked after We send the seeds out in the breeze

We're coming down
Comin' down to earth
Like babies at birth
Comin' down to earth
Redefine your priorities
These are extraordinary qualities

We're coming down to the ground There's no better place to go We've got snow upon the mountains We've got rivers down below

We're coming down to the ground We'll hear the birds sing in the trees And the land will be looked after We send the seeds out in the breeze

We're coming down to the ground There's no better place to go We've got snow upon the mountains We've got rivers down below

We're coming down to the ground We'll hear the birds sing in the trees And the land will be looked after We send the seeds out in the breeze

Redefine your priorities These are extraordinary qualities To find on earth

Comin' down, comin' down Comin' down, comin' down Comin' down, comin' down Comin' down, comin' down
