

## Shaking The Tree

Peter Gabriel

We are shaking the tree (2x)

Waiting your time, dreaming of a better life  
Waiting your time, you're more than just a wife  
You don't want to do what your mother has done  
(she has done)  
This is your life, this new life has begun  
It's your day -- a woman's day  
It's your day -- a woman's day

Turning the tide, you are on the incoming wave  
Turning the tide, you know you are nobody's slave  
Find your sisters and brothers who can hear all the truth  
In what you say  
They can support you when you're on your way  
It's your day -- a woman's day  
It's your day -- a woman's day

We are shaking the tree (2x)

Changing your ways, changing those surrounding you  
Changing your ways, more than any man can do  
Open your heart, show him the anger and pain  
So you heal  
Maybe he's looking for his womanly side

And you feel you had to be so strong  
And you do nothing wrong, nothing wrong at all  
We're gonna to break it down  
We have to shake it down, shake it all around

We are shaking the tree (opakovat)
