

That Voice Again

Peter Gabriel

1. I want to be with you,
I want to be clear.
But each time I try,
It's the voice I hear.
I hear that voice a-gain.

*: I'm listening to the conversation,
Judge and jury in my head.
It's colouring everything,
All we did and said.

And still I hear that,
Sharp tongue talking,
Talking tangled words.
I can sense the danger,
Just listen to the wind.

2. I want you close,
I want you near,
I can't help but listen,
But I don't want to hear.
Hear that voice a-gain.

I want to be with you,
I want to be clear.
But each time I try,
It's the voice I hear.
I hear that voice a-gain.

*2: I'm hearing right, and wrong so clearly,
There must be more than this.
It's only in uncertainty,
That we're naked and alive.

I hear it through,
The rattle of a streetcar,
Hear it through, the things you said,
I can get so scared,
Listen to the wind.

Eb B (8x)

3. I want you close,
I want you near,
I can't help but listen,
But I don't want to hear.
Hear that voice a-gain.

X: What I carry in my heart,
Brings us so close,
Or so far a-part.
Only love can make love...

4. I want to be with you,

I want to be clear.
But each time I try,
It's the voice I hear.
I hear that voice a-gain.

I want to be with you,
I want to be clear.
But each time I try,
It's the voice I hear.
I hear that voice a-gain.
