That Voice Again

Peter Gabriel

- 1. I want to be with you,
 I want to be clear.
 But each time I try,
 It's the voice I hear.
 I hear that voice a-gain.
- *: I'm listening to the conversation, Judge and jury in my head. It's colouring everything, All we did and said.

And still I hear that, Sharp tongue talking, Talking tangled words. I can sense the danger, Just listen to the wind.

2. I want you close,
 I want you near,
 I can't help but listen,
 But I don't want to hear.
 Hear that voice a-gain.

I want to be with you,
I want to be clear.
But each time I try,
It's the voice I hear.
I hear that voice a-gain.

*2: I'm hearing right, and wrong so clearly, There must be more than this. It's only in uncertainty, That we're naked and alive.

I hear it through,
The rattle of a streetcar,
Hear it through, the things you said,
I can get so scared,
Listen to the wind.

Eb B (8x)

- 3. I want you close,
 I want you near,
 I can't help but listen,
 But I don't want to hear.
 Hear that voice a-gain.
- X: What I carry in my heart, Brings us so close, Or so far a-part. Only love can make love...
- 4. I want to be with you,

I want to be clear.
But each time I try,
It's the voice I hear.
I hear that voice a-gain.

I want to be with you,
I want to be clear.
But each time I try,
It's the voice I hear.
I hear that voice a-gain.
