## **Evidently Goldfish**

**Peter Hammill** 

Check the honesty of what's on offer, True detective or a fake fakir? All the evidence is circumstantial -As mud the evidence is clear. Paranormal the investigation -Where do things go when they disappear? All the evidence has been trumped up... As mud the evidence is clear, I think we're on to something here, I think we're into something, I don't know but maybe we're all goldfish In the mental sphere.

Evidently goldfish, Never questioning environment; Self-evidently goldfish, We swim in circular experience.

Church of logical deliberation, School of accidental wheels in gear, Surface knowledge is a serious matter, A little consciousness is dangerous, dear; All the evidence must be summed up -As mud the evidence is clear, As mud the evidence is clear, I think we're into something, I don't know but Maybe we're all goldfish in the mental sphere.

Evidently goldfish Never question their environment; Self-evidently goldfish, We swim in circular experience; Evidently goldfish, Round and round and round and round Within our consciousness In the mental sphere.

As mud the evidence is clear.
