

Faith

Peter Hammill

Each moment is precious those that I spend with you are a prize
- I count myself lucky just being alive while you're in my eyes.

Seeing's believing and I believe in you I can't conceal it, just what I feel for you. Seeing's believing, I know that you'll see me through. I believe in you I have faith in you I put my faith in you.

Doubt casts its shadow on every perfect plan that is made but I'll be beside you through those dark days - I'll be with you come what may.

Don't let me down, now that I've fallen completely for you.
