

No Moon in the Water

Peter Hammill

So
If it's just so then
Where is it now when
I find the moment
Uncertain?
Broken water pail -
No moon in the water,
Try to hold it now.
So
I want to hold on
Reflections all gone,
No ego - so.
Broken water pail -
No moon in the water,
Try to hold it now,
Broken water pail,
Hold me in the moment,
No more ego now.
I would
Drink the drags of daylight,
Break the bread of consciousness
And dream:
Dream day for night,
Nightfall around us,
Waking, dreaming,
Awake to the dream.
Broken water pail -
No moon in the water,
Try to hold it now,
Hold me in the moment,
No more ego now,
No moon in the water,
No more ego now
