

Suddenly

Peter Heppner

I don't give a fuck
What you say
I don't want to hear no lies
From you today
You wonder why you stand
All alone
But maybe you just reap
What you've sown

And suddenly...
You find you're in so deep
The more you try in vain
To free yourself again
The deeper you will fall ... won't you?

A thousand time I've lent
A helping hand
I'm not asking for a „thanks“
Don't misunderstand
But you're hiding from the truth
If you think that you don't need a friend aren't you?
A long descending road, I've been told
Lies out there in the cold
For those alone

And suddenly ...
