Suddenly

Peter Heppner

I don't give a fuck What you say I don't want to hear no lies From you today You wonder why you stand All alone But maybe you just reap What you've sown

And suddenly... You find you're in so deep The more you try in vain To free yourself again The deeper you will fall ... won't you?

A thousend time I've lent A helping hand I'm not asking for a "thanks" Don't misunderstand But you're hiding from the truth If you think that you don't need a friend aren't you? A long descending road, I've been told Lies out there in the cold For those alone

And suddenly ...
