

Final Solution

Peter Murphy

The girls won't touch me
'Cause I've got a misdirection
Living at night isn't helping my complexion
The signs all saying it's a social infection
A little bit of fun's never been an insurrection

Mama threw me out till I get some pants that fit
She just won't approve of my strange kind of wit
I get so excited, always gotta lose
Man that send me off
Let them take the cure

Don't need a cure
Need a final solution

Buy me a ticket to a sonic reduction
Guitars gonna sound like a nuclear destruction
Seems I'm a victim of natural selection
Meet me on the other side, another direction

Don't need a cure
Need a final solution
