

# Loctaine

Peter Murphy

Words are just  
Broken up  
The singer's tones  
Now flowing flow  
In your eyes  
In your words  
In your heart  
A flowing flow

Words are broken up  
The singer's tones  
A flowing flow  
Lips like wings  
A troubled day  
Is disquiet  
Lips like wings

Loctaine  
The' Elect  
Are straight above  
Forgiving him  
Loctaine  
Th' Elect  
Are straight above  
Forgiving him

He believed  
In a safety that was not there  
Loctaine  
Detect alone  
All Straight the crowds

Loctaine  
The' Elect  
Are straight above  
Forgiving him  
Loctaine  
Th' Elect  
Are straight above  
Forgiving him

Loctaine  
The' Elect  
Are straight above  
Forgiving him  
Loctaine  
Th' Elect  
Are straight above  
Forgiving him

Loctaine  
Your words are broken up  
The singer's tones  
Outward flowing flow  
Over into ears  
Over into eyes  
Deeper into chest

Loctaine  
Detold  
Loctaine

Loctaine  
The' Elect  
Are straight above  
Forgiving him  
Loctaine  
Th' Elect  
Are straight above  
Forgiving him

Loctaine  
The' Elect  
Are straight above  
Forgiving him

Loctaine  
Elect  
Are straight above  
Forgiving him
