

# Piece Of You

Peter Murphy

I don't want to be a part  
Of a second part  
But while I'm in it  
I'm keeping out of it  
I don't want to be  
I should be able to see  
A seal of man  
And then sometimes I don't

I'll be a piece of you then  
So that I'll see you in them  
I'll howl at the Moon  
With a song to swoon (oo)  
I'll crawl like a fly (oo)  
And if I have to I'll die (oo)  
Give me a piece (oo)  
Of a blissed release

I'm a formula one start  
I'm the wheel and the cart  
And I'll be a part of you  
When I'll see you

(Oo)

I'll be a piece of you then (oo)  
(Oo)  
A piece of you then (oo)  
So that I'll see you in them (oo)  
A piece of you then (oo)  
I'll see you in them (oo)  
So that I'll see you in them (oo)  
So that I'll see you in them (oo)  
A piece of you then (oo)  
I'll see you in them (oo)  
A piece of you then (oo)  
I'll see you in them (oo)
