Secret silk society  
Secret silk society  
Secret silk society  
Secret silk society

Who is wise? why, our hearts  
Made for passing the lote tree  
It is very, very far  
Very far indeed

Oh, thirst, and yet  
Astonished we  
We seesaw soul  
In another place

Secret, secret

Is love as traveling?  
Under the doppled glade  
Arched embracer trees  
Who is wise? who is wise?

Who is wise?

Who is wise?  
Why, our hearts  
Who is wise?  
Why, our hearts  
Who is wise? (secret silk society)  
Why, our hearts (secret silk society)  
Who is wise? (secret silk society)  
Why, our hearts (secret silk society)  
Oh, secret silk society  
Secret silk society
