

# Seesaw Sway

Peter Murphy

I failed to see into your eyes  
as I plundered the sky  
I'm a winder of words and you free to pry  
She's luning at the moon  
I've been looking her way  
for twenty-three summers now  
in a seesaw sway

(Out there it's a seesaw)  
In a seesaw sway  
(as I plunder the sky)  
In a seesaw sway  
(Out there it's a seesaw)  
In a seesaw sway  
(Out thereeeee)

The luna the better  
(The luna the better)  
I'm a crater uplifter  
(I'm a crater uplifter)  
I talk from a dream  
It's our seesaw sway

(Out there it's a seesaw)  
In a seesaw sway  
(as I plunder the sky)  
In a seesaw sway  
(Out there it's a seesaw)  
In a seesaw sway  
(Out thereeeee)

Oh what's the matter with this?  
It all rests with you  
I'm not a linger for the bitter  
pills, coin or gold;  
no killdrill river,  
nor young or fey  
I'm a seer of goodness things  
In our seesaw sway

(Out there it's a seesaw)  
In a seesaw sway  
(as I plunder the sky)  
In a seesaw sway  
(Out there it's a seesaw)  
In a seesaw swaaaaaaaaaaaay  
(Out thereeeee)

Seesaw Seesaw Seesaw  
Seesaw Seesaw Seesaw  
Seesaw.....

(Out there it's a seesaw)  
In a seesaw sway  
(as I plunder the sky seesaw)  
In a seesaw sway  
(Out there it's a seesaw)

In our seesaw swaaaaayyyyyyyyyyy
