

Velocity Bird

Peter Murphy

I'm a velocity birds in an invisible star
I'm a velocity bird faster than all speeding cars

Your whisper is mine as it lifts you up from above
Your pains are no crime, they're what crack you open up your love
Crack open your love from the seed to the tree
Crack open your love, be yourself if you wanna be me

I'm a velocity bird in an invisible star
I'm a velocity bird faster than all speeding cars

Velocity bird, be yourself if you wanna be me
Velocity bird, be yourself if you wanna be me
Velocity bird, be yourself if you wanna be me
