

# Rocky Road

Peter, Paul and Mary

1. Red light green light 'round the town,  
I found a penny on the ground  
Met a friend I never know'd,  
walkin' down ol' Rocky Road.  
Red Green ol' Rocky Road, tell me what you see.

R: Tell me inside out, tell me upside down,  
All around the block, all around the town.  
Red Green ol' Rocky Road, tell me what you see.

R: Jimmy, come out and play.  
Well Red Light, Green Light and I'll be it today.  
Red Green ol' Rocky Road, tell me what you see.

2. Hey Jimmy Huggins your name's been called  
Come and stand beside the wall.  
Pick a girl that you know well  
You can kiss and you can tell.  
Red Green ol' Rocky Road, tell me what you see.

R: Jenny, come out and play.  
Well Red Light, Green Light and I'll be it today.  
Red Green ol' Rocky Road, tell me what you see.

|: Little Miss Jenny, don't you hide  
Papa's gonna take you for a pony ride.  
One potato, two potato, three potato, four  
Cross the line and close the door. :|

Red Green ol' Rocky Road, tell me what you see.  
Tell me inside out, tell me upside down,  
All around the block, all around the town.

Red Green ol' Rocky Road, tell me what you see.  
Red light green light 'round the town,  
I found a penny on the ground  
Met a friend I never know'd,  
walkin' down ol' Rocky Road.
