

She Dreams

Peter, Paul and Mary

1. She dreams no one can hear her
if she cries who will be there to care.

2. She needs someone to believe her
when she lies when she pretends to share.

R: She sees other people being
what it was she thought she ought to be
other people fast pursuing
what she can't believe in 'til she's free 'til she's free.

3. She thinks that no one can see her
all that she can hide is what she's searching for.

R:

4. She dreams and waiting inside her
when she wakes all that she needs to know.
