

## Tryin' to Win

Peter, Paul and Mary

You know it's hard to love another man's girlfriend  
You can't see her when you want to  
You gotta see her when you can  
We may be fighting a losin' battle  
But havin' a lotta fun tryin' to win.

I thought it over from these points of view  
One way love ain't no good for two.  
We may be fighting a losin' battle  
But havin' a lotta fun tryin' to win.

Here's my confession baby, I want you to take heed  
From this day on darlin' you can do anything you please.

I asked my baby should I go away  
Your man wants me to leave  
Do you want me to stay?  
We may be fighting a losin' battle  
But havin' a lotta fun tryin' to win.

Here's my confession baby, I want you to take heed  
From this day on baby you can do anything you please.

But havin' a lotta fun tryin' to win.

We may be fighting a losin' battle  
But havin' a lotta fun tryin' to win.  
We may be fighting a losin' battle  
But havin' a wonderful time, wish you were here!
