

Babylon Queendom

Peter Tosh

Babylon, your queendom is falling
Rahab, Ethiopia is calling
Babylon, your queendom is falling (tumbling down)
Rahab, Ethiopia is calling
Gimme back mi gold, mi ruby an mi diamond
Babylon, your queendom is falling
and Rahab, Ethiopia is calling
sent I sons & daughters from a far off
I said all those that are called of I name
Babylon, your queendom is falling (tumbling down)
Rahab, Ethiopia is calling
I say Babylon, your queendom is falling
Rahab, Ethiopia is calling
Gimme back mi Zebra, mi Lion an mi Tiger
Babylon, your queendom is falling (tumbling down)
Rahab, Ethiopia is calling
I say Babylon, your queendom is falling
Rahab, Ethiopia is calling
Gimme back mi land, mi language and mi culture
Oh yeah
Babylon, your queendom is falling (tumbling down)
Rahab, Ethiopia is calling
I say Babylon, your queendom is falling
Rahab, Ethiopia is calling
I said, take back your chink, your roach and mosquito
Babylon, your queendom is falling (tumbling down)
Rahab, Ethiopia is calling...
