You're only acting like You are somebody But I don't no say You know nobody

You're only a show off Your painted face, yeah But underneath that face Your just a disgrace

You're just a brand new second hand gal No man no wan' no Brand new second hand gal You better go back around so You're just a brand new second hand gal

You think it's the dress you wear That make you a lady Get that out of your mind gal You must be crazy

Mama used to tell me Long time ago yeah Not everything you see glitter is gold

See you watch them pass I Well hidy-tidy
But them no-no say
You very nasty

Look 'pon you foot back Look how them tough, yeah And you chaw bone favor Spanish town handcuff

Dick know 'bout you And tom do And harry just 'round the corner Know 'bout you too

He got a police buk
Them want I
Them want I
Be com'a them funeral
Them claim say
Them claim say
Them are the general

He got a police buk
Them want I
Them want I
Be com'a them funeral
Them claim say
Them claim say
Them are the general

What a big disgrace

The way you rob up the place Rob everthing you can find Yes you did And you'll even rob from the blind

You are the genie

You must see want I fe
Com'a com'a funeral
And I no go
No one burial
Yet you want I
Com'a com'a funeral
Make your friend come claim say, claim say

Now we know the truth
Yes we do
Find you
Wearing the boot
Of taking people's business on your head, yeah
So might as well you be dead

Let the dead bury the dead now
And who is to be fed, be fed
I ain't got no time to waste on you, no,no
I'm a livin' man, I got work to do
Right now

This man and that man
Yes they are the same man
You taught us this just as well
That the rich man heaven is the poor man's hell
You must see want I fe com'a com'a funeral
Natty no go no one burial
Yet you want I
Com'a com'a burial
Make your friend come claim say
You are the genie
