## **Crystal Ball**

**Peter Tosh** 

Lookin' at your crystal ball culture man I say Lookin' in your crystal ball culture man What do you see culture man Tell me what do you see culture man I see people victim Prices rising Gas shortage And the dollar devalue In the city In a you shitty In the city In a the shitty Come on lookin' at your crystal ball culture man

Come on lookin' at your crystal ball culture man What do you see culture man Tell What do you see culture man

I see them churches locked down Schools closed down Politicians promising Teacher striking

In the city In a you shitty In the city In a the shitty

Come on come on lookin' at your crystal ball culture man I say lookin' at your crystal ball culture man Tell me tell me what do you see culture man Tell me what do you see culture man

I see youths rising Blood running Fire burning Got crying

In a the shitty In a the shitty In the city It is a shitty

Lookin' at you crystal ball culture man I say lookin' at you crystal ball culture man What do you see culture man Tell me what what do you see culture man I see truth revealing People cleansing Downpresser chasing People seeing In a the shitty...

I say lookin' at you crystal ball culture man Keep on lookin' at you crystal ball culture man Let us have a view on the inside We see too much of the outside

Give me a glimpse in a you crystal ball culture man Make me see what a gwan culture man Long time we blind So so blind
