

Downpressor Man

Peter Tosh

Downpresser man
Where you gonna run to
Downpresser man
Where you gonna run to
Downpresser man
Where you gonna run to
All along that day

You gonna run to the sea
But the sea will be boiling
When you run to the sea
The sea will be boiling
The sea will be boiling
All along that day

You gonna run to the rocks
The rocks will be melting

When you run to the rocks
The rocks will be melting
The rocks will be melting
All that day

So I said
Downpresser man
Where you gonna run to
Downpresser man
Where you gonna run to
Downpresser man
Where you gonna run to
All along that day

You drink your big champagne and laugh
You drink your big champagne and laugh
You drink your big champagne and laugh
All along that day

I wouldn't like to be a flea
Under your collar man
I wouldn't like to be a flea
Under your collar man
I wouldn't like to be a flea
Under your collar man
All along that day

You can run but you can't hide
You can run but you can't hide
You can run but you can't hide
Telling you all along that day

You gonna run to the Lord
Beggin' to hide you
You gonna run to the Lord
Beggin' to hide you
You gonna run to the Lord
Beggin' to hide you
You gonna run to Jah

Beggin' to hide you
All, all along that day

And I said Downpresser Man

Where you gonna run to
Where you gonna run to Downpresser man
Where you gonna run to
I said all along
All along, along that day Downpresser man
All along, along that day Downpresser man
All along, along that day Downpresser man
All along, along that day Downpresser man

Wait, Downpresser man
Where you gonna run to
Downpresser man
I don't know where you gonna run to
All along that day

Downpresser man
You can't run, you can't bribe Jah-Jah
Can't call him in a bar
Fe can drink some
Devil soup
Can't bribe him around a corner
Can't test him faith
Downpresser man
Downpresser man
Downpresser man
Downpresser man
Downpresser man
Downpresser man
Where you gonna run to

Downpresser man
You can't bribe no one
Them no want no money
Them run 'f money
That money get funny

Downpresser Man's here
