

Ketchy Shuby

Peter Tosh

Come make we play some ketchy shuby
And when me shuby, you feel ketchy
And when you ketchy, don't make it drop
Cause if it drop, it will pop
And if it pop, no one can mend it
Cause if they mend it, you can easily bend it

So we a go ketchy-ketchy, shuby-shuby tonight
All night long we a go ketchy-ketchy, shuby-shuby tonight
Tell me if you like it, ketchy-ketchy, shuby-shuby tonight
All night long we a go ketchy-ketchy, shuby-shuby tonight

It don't take too long to learn
Just you do as I say
It may only take one hour or two
And by the next time you will know what to do

We a go ketchy-ketchy, shuby-shuby tonight
Me and you a go ketchy-ketchy, shuby-shuby tonight
All night long we a go ketchy-ketchy, shuby-shuby tonight
Ketchy-ketchy, shuby-shuby tonight

Come make we play some ketchy shuby
And when me shuby, you feel ketchy
And when you ketchy, don't make it drop
Cause if it drop, it will pop
And if it pop, no one can mend it
Cause if they mend it, you can easily bend it

So we a go ketchy-ketchy, shuby-shuby tonight
All night long we a go ketchy-ketchy, shuby-shuby tonight
Your mama don't like it, ketchy-ketchy, shuby-shuby tonight
Your papa don't like it, ketchy-ketchy, shuby-shuby tonight
Long time I'm waiting, ketchy-ketchy, shuby-shuby tonight
Get you right where your ketchy-ketchy, shuby-shuby tonight
All night long we a go ketchy-ketchy, shuby-shuby tonight
Me and you a go ketchy-ketchy, shuby-shuby tonight
Tell me if you like it, ketchy-ketchy, shuby-shuby tonight
All night long, all night long, shuby-shuby tonight

ketchy-ketchy, shuby-shuby tonight....
