

No Sympathy

Peter Tosh

I can't find no love
no sympathy
what kind of love
they've got for me
I'm on my way
to happiness
where I can find
some peace and rest

when I'm in troubles yeah
only me only me feel the pain
not one good word of advice
from any of my so-called friends

I can't find no love
no sympathy
what kind what kind of love
they've got for me
I'm on my way
to happiness
where I can find where I can find
some peace and rest

I get out I get out of hell
hell could never be made for me
so I'm gonna search search til I'm a free
