Reggaemylitis

Woke up this morning With a funny funny feelin' And that feelin' Was an unusual feelin' Inna my bone yeah It inna my blood Inna my toes Coming up to my brain Went to the doctor To check out what's matter I Went to the doctor To find out the matter Doctor said son You have a Reggaemylitis I said, "What" Doctor said son You have a Reggaemylitis Is it contagious Is it outrageous Is it vicious Or is it dangerous Inna mi bones Inna me blood From my toes Up to my brain I can feel it inna my bones Inna my ankle From my toes Up to my brain Is it incurable It's fit for desirable It isn't curable Fit for desirable I have it inna my toes Inna my ankles Inna my knees Up to my waist Under mi ribs Across mi shoulder Inna mi finger Up to my brain Reggaemylitis I say... You only catch it one way It's reggaemylitis I say Sometimes your temperature It really gets higher

Peter Tosh

And the music Sets your soul on fire

Got it inna my toes Inna my knees Inna my ankles Inna my waist Inna my waist Inna my heart Inna my soul Inna my mind Come through my mouth Inna my finger Registered in my brain
