Said I'm wanted, dread & alive
By the evil forces
Said I'm wanted, dread & alive
Nowhere to hide
They are trying to find me

CHORUS

Which I know couldn't do
How could one man Gang Jah
Must be an ape from the zoo

CHORUS

I've been accused for a shootin'
Which I know never do
Who dem in prison that willing dey
So I've got to pull my way through

CHORUS

Yesterday was court day
And I-Man forget to go
Today my name is in my papers
And next warrant they will show

CHORUS

Now I've got to
Judge two guns
To protect myself from men
'Cause I've never done nothin' wrong
And I hate traveling scared
