

Why Must I Cry

Peter Tosh

Why must I cry
These tears from mine eyes
Why must I cry
These tears from mine eyes

Making believe you love me only
(just to love) was my great sin whoa)
(just to love) was my great sin whoa)
(just to love) was my great sin whoa)

But I will never fall in love again
'cause only my heart feels the pain

Why must I trod
This lonely, this lonely road
Why must I carry
This heavy, this heavy load

Making believe you love me only
Was my great sin
Was my great sin
Was my great sin
Mm my great sin

I'll never fall in love again
'cause only my heart feels the pain
Feels the pain
Sad pain

I will never fall in love again
'cause only my heart feels the pain
Feels the pain
Why must I cry these tears from mine eyes
Why must I cry these tears from mine eyes
