

The Rock The Party Remix

Petey Pablo

Aye (Benzino where you at?)
It's Yellowman, Benzino wanna rock the party
And we gonna bring this to the after party
Queen Bee wanna rock the party
Uh, uh, oh (Oh my God)
Yeah (Benzino where you at?)
(Bounce) Yellow City gonna rock the party
(This is the G-Mix)
Young Heff wanna rock the party, Petey Pablo
Yellow City, yea

It's your girl Queen Bee with the poisonous sting
Chinchilla draggin' with the diamond G-String
Bouncin' on Lorenzos, I'm the Bee with the wings
Who the fuck want what? (What?)
Bettin' it all at the crap tables, rip the casino
From Vegas to Reno, me and Benzino
We gonna rock the party and drink Bacardi all damn night
Watch me shake my ass like a fresh bowl of jelly
Quite Bootylicious like Beyoncé and Kelly
Love to see guys with tattoos on they belly
Let's get nasty from the car to the telly
Ooh, I got my girls with me, so go get your boys
Come ride with us, we on the tour bus
If you treat us right, and you spendin' the night
Then we gon' freak

We gon' throw the party, rock the party
Then drink Bacardi, freak somebody
Then leave the party to the after party y'all
Now what ya'll gon' do?
We gon' take it off, we gon' turn it out
It's hot in here, we gon' burn it out
We gon' throw that thang, we gon' back it up
Now what ya'll gon' do?

Benzino rock the city and you know I can't stop
Back at the lounge with a mean Diddy Bop
Shorty lookin' mean and her whole team hot
Yo' what's up? Yo' what's up with ya'll?
She sippin' cranberry with a splash of Belvedere
What? Five carat 'conia ice in my ear
Always drinkin' Coniac with ice when I'm here
Nice
Feelin' how 'Zino puts his game to the test
36, 24, I think you know the rest
What's your secret ma? How you fit in that dress?
Oh damn!
Now it's getting' heated and you know what's on my mind
Me and you, outta hear, I think it's that time
Make you tap out when I creep in from behind
Now that's what's up, now everybody just
