

You Light Up My Life

Petra Janů

So many nights I set by my window
Waiting for someone to sing me a song
So many dreams I kept deep inside me
Alone in a dark but now you've come along

And you light up my life
You give me a home to carry on
And you light up my days
And filled my nights with a song

Rooming and see a drift on the water
Could it be find me I'm turning for home
Find me a chance to say - hey - I love you
Never again to be all alone

And you light up my life
You give me a home to carry on
And you light up my days
And filled my nights with a song

It can't be wrong when it feels all right
