

Another Crossroad

Petra

Another day of indecision - there's a battle in my head
It's not a matter of submission - I'll go where I'm led
But my mind keeps changing every day
I need your peace to point the way

And now I'm at another crossroad
And I don't know which way to go
My steps are ordered and I know I'll find the way
When your Word lights the path and I obey
When your Word lights the path and I obey

Sometimes I feel a hesitation is it me or is it You
I only need some kind of clue I just need an indication
It's not hard to miss a turn along the way
I know I've missed some in my day

I don't want to be wrong
I want to do what's right
I know that you can lead me through the maze
When I acknowledge you in all my ways
