## **Dead Reckoning**

**Petra** 

It's a new day at last, but you're sinking so fast
If left up to your head, you'd remember the past
But a new day has come and new life has begun
Let the old pass away, reconsider it done
There's got to be a reckoning
When you feel the Spirit beckoning

It's a dead reckoning
Trade the old for the new
It's a dead reckoning
Learn to die daily till the new life comes through
It's a dead reckoning

You've got nothing to lose but you do have to choose When the Spirit says yes but the flesh will refuse And although you feel odd there are many who trod Till they're dead to the world but alive unto God Some still believe it can't be done To the steady the race is still won

And the battle is already through And it's hard to believe but it's true On a hill long ago where the blood runs below Died a King, two thieves, and you
