I Waited For The Lord On High

I waited For the Lord on high I waited And He heard my cry

He pulled me out of my despair He taught me how to walk From fear into security From quicksand to the Rock

I waited For the Lord on high I waited And He heard my cry

I sing to let the people know That I have been restored And they will kneel and understand To return and trust in the Lord

I waited For the Lord on high I waited And He heard my cry

And there's a new song In my heart to sing There's a new song Praises for my King

I waited.
