

# I Will Seek You

Petra

Living water - I am thirsty and dry  
Bread of heaven - only You satisfy  
I am waiting for Your comfort and peace  
Come and fill me, let this emptiness cease

I will seek You  
I will find You  
I will follow what I know is true  
I will seek You  
Like I used to  
I will worship You

You are holy, You are a wonder to me  
In creation I see Your majesty

I will seek You  
I will find You  
I will follow what I know is true  
I will seek You  
Like I used to  
I will worship You

Speak to me and I will listen  
(Give me the call and point the way)  
Lead me on and I will follow  
(Hearing Your Word I will obey)

I will seek You  
I will find You  
I will follow what I know is true  
I will seek You  
Like I used to  
I will worship You
