In The Likeness Of You

In the likeness of You Recreated, renewed Let me awake forever In the likeness In the likeness of You

Now I lay me down to sleep My heart and soul are Yours to keep I close my eyes and try to see More of You and less of me

Jesus, I'm trusting in You So while I'm sleeping Keep me dreaming Of when I will awake

In the likeness of You Recreated, renewed Resurrected by Your righteousness In Your likeness In the likeness of You

Men dream of fortune and fame Making the rules, naming the game And men dream of things they can hold Money and power, silver and gold Jesus, I'm dreaming of You Take me and melt me, mold me Until I am complete

In the likeness of You Recreated, renewed Resurrected by Your righteousness In the likeness of You In the likeness of You So faithful and true Let me awake forever in the likeness of You

The likeness of You I want to be I want to be like You In all I say In all I do
