

The Noise We Make

Petra

This is the noise we make
With our voice and with our hands
We've come to celebrate
All across this land

The joy that's in our hearts
Makes us want to dance for You
Join as the angels sing
And worship as they do

And we worship You alone
With our songs of praise
One day before Your throne
This is the noise we make

You are worthy, worthy
You are worthy, worthy
You are holy, holy
You are holy, holy

And we worship You alone
With our songs of praise
One day before Your throne
This is the noise we make
