Too Big To Fail

From the depths of the deep blue sea To the end of the heavenlies He is God over all the earth To the end of the universe

He reigns from his throne on high He reigns over you and I I'll testify

Too big, too big Our God is too big to fail Too big, our God is too big Too big, too big Our God is too big to fail Too big, our God is too big to fail

He's loving and merciful His grace is unsearchable He's Lord over sea and sod There is none who is like our God

He stretched forth the heavens And He laid the foundations of the earth All glory and honor And praise to the one who lives and reigns
