

## Walkin' In The Light

Petra

I'm rockin' with the Rock  
Rollin' on the road that takes me to the King  
I've been up and down your city  
And I wish you could see all the love you need  
Walkin' in the light every day and night  
Livin' in the Spirit is really out of sight  
Walkin' in the light every day and night  
Livin' in the Spirit is really out of sight  
I know You've given me Your Spirit  
Peace in my heart, a new song to sing  
I'm giving love to all my brothers  
And I wish you could see all the joy it brings  
Walkin' in the light every day and night  
Livin' in the Spirit is really out of sight  
Walkin' in the light every day and night  
Livin' in the Spirit is really out od sight  
I'm rockin' with the Rock  
Rollin' on the road that takes me to the King  
I'm tellin' all my friends about You  
And I wish they could see all the love You bring
