Oh-oh-oh-oh-ooh, baby lover Oh-oh-oh-oh-ooh, baby lover

When things go wrong, you understand You make me strong with your tender hands Oh-oh-oh-oh-ooh, baby lover Oh-oh-oh-oh-ooh, I love you so

I was a vine without a rose Now that you're mine, my happiness shows Oh-oh-oh-oh-oh, baby lover Oh-oh-oh-oh-oh, I want you so

Come swing with me in my cradle of dreams Come share with me all of life's precious schemes

To ev'ry heart one love will come To never part, and you are that one Oh-oh-oh-oh-ooh, baby lover Oh-oh-oh-oh-ooh, I love you so

Come swing with me in my cradle of dreams Come share with me all of life's precious schemes

To ev'ry heart one love will come To never part, and you are that one Oh-oh-oh-oh-ooh, baby lover Oh-oh-oh-oh-ooh, I love you so

Come swing with me in my cradle of dreams Come share with me all of life's precious schemes

To ev'ry heart one love will come To never part, and you are that one Oh-oh-oh-oh-oh, baby lover, I love you so Oh-oh-oh-oh-oh-oh-oh!
