Don't Cry For Me Argentina

This won't be easy you'll think it's strange when I try to explain how I feel that I still need your love after all that I've done

You won't believe me all you will see is a girl you once knew although she's dressed up to nines for sixes and sevens with you

I had to let it happen I had to change couldn't stay all my life down at heel looking out of the window staying out of the sun so I choose freedom running around, trying everything new but nothing impressed me at all I never expected it too

Don't cry for me, Argentina the truth is I never left you all through my wild days my mad existence I kept my promise, don't keep your distance

And as for fortune and as for fame I never invited them in though it appeared to the world they were all I desired they are illusions they're not the solutions they promised to be the answer was here all the time I love you, and hope you love me

Don't cry for me, Argentina the truth is I never left you all through my wild days my mad existence I kept my promise, don't keep your distance I kept my promise don't keep your distance **Petula Clark**
