

Happy Heart

Petula Clark

There's a certain sound
Always follows me around
When you're close to me
You will hear it

It's the sound that lovers
Finally will discover
When there is no other
For their love

It's my happy heart you hear
Singing loud and singing clear
And it's all because you're near me,
My love

Take my happy heart away
Make me love you, make my day
In your arms I want to stay
For my love, Yeah

Feeling more and more
Like I've never felt before
You have changed my life
So completely

Music fills my soul, now
I've lost all control, now
I'm not half, I'm whole, now
With your love

It's my happy heart you hear
Singing loud and singing clear
And it's all because you're near me,
My love

Take my happy heart away
Make me love you, make my day
In your arms I want to stay
For my love..

Take my happy heart
Can't you hear my happy heart
In love, oohh

Take my happy heart
Hear my happy heart
In love
